M8 Terminal **LCD Monitor** **Built in BMS** **IP65 Waterproof**

12V 100AH Sodium ion Batteries

Sodium ion Batteries	Lead acid battery
13.5KG	45KG
10 years of service life	3 years of service life
6000 times	200-500 times
1200Wh	500Wh

SODIUM ION BATTERY

Good Low Temperature Performance, wide Voltage Range

Na⁺

- IP65 Waterproof, Not Afraid of wind Sand and Rain Wash
- Lighter than lead-acid batteries
- 5 year warranty, 10 year servicelife
- Good Safety Performance

Low temperature resistance

Sodium-ion batteries have good low-temperature performance and can work normally at a minimum of -40°C

High temperature resistance

Waterproof Air Vent Valve with Heat Dissipation Function
It can Guarantee the Normal Operation of the
Battery in Hot Areas

Charge Voltage: 15.6V

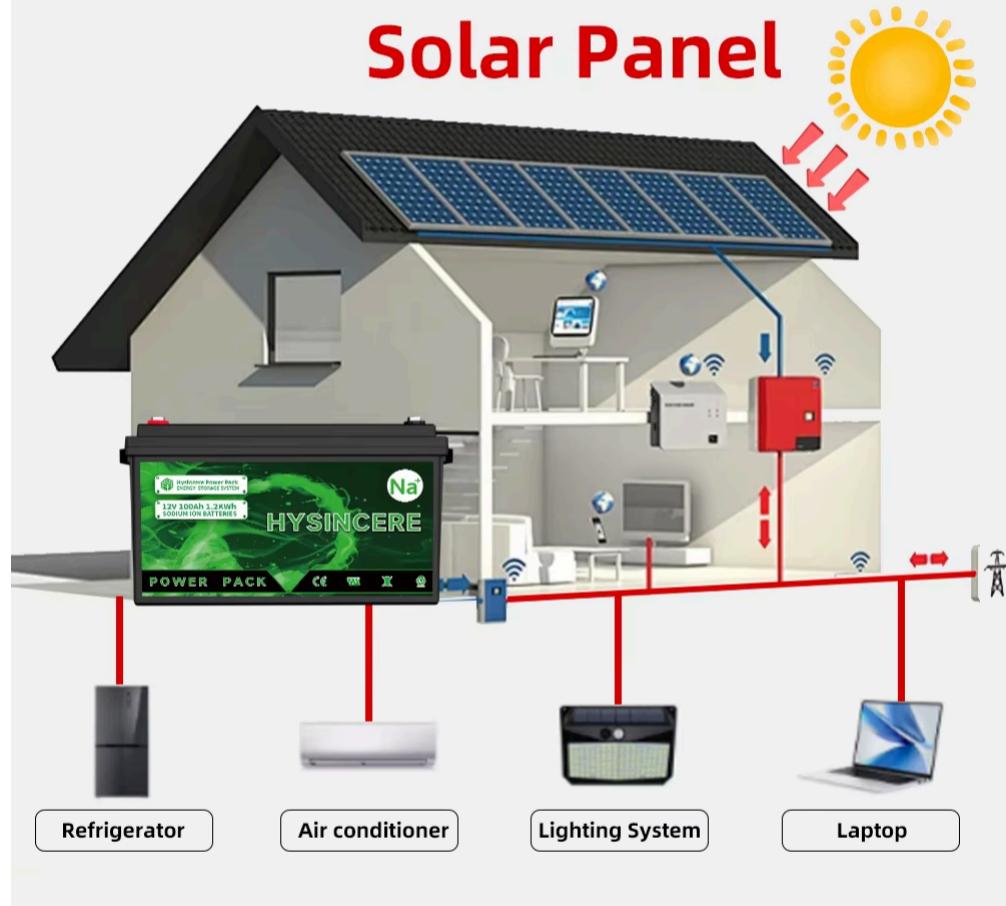

Note: Please refer to the product manual for other detailed parameters

Multifunction Protection

Can prevent over voltage, over current and overheating protection and other functions

Solar Panel

Company Profile

ABOUT US

Shenzhen Hysincere Battery Co., Ltd. was established in 2013. It is a lithium battery industrial application solution provider focusing on the R&D, design, assembly, sales and service of energy storage and motive battery packs. The main products include portable power station, lithium replacing Lead-acid batteries, motive battery packs and energy storage systems etc. Hysincere is committed to the sustainable development of global green energy.

Hysincere strictly follows the ISO9001:2015, ISO14001:2015 and ISO45001:2018 system management requirements, from raw materials to finished products, through professional testing and inspection, scientific and rigorous assembly process, to ensure that each battery becomes a "safe battery". Relying on excellent product quality, Hysincere has passed the certification of many authoritative organizations, and successively passed the certification of KC, PSE, IEC62619, CB, UL, BIS, UN38.3, MSDS, CE etc. and the products had been exported to Europe, America, Australia, Japan, South Korea and Southeast Asia markets. Hysincere has been recognized by domestic and foreign companies.

FAQ

Q Could I get a sample for checking the quality?

Samples testing are available. Please click here to get the sample policy.

Q What's the lead time of production?

It depends on order quantity. Normally the lead time is about 5-7 working time for mass order.

Q What kinds of the payment can I pay with?

L/C, T/T Bank transfer, Paypal, Western Union, Alibaba Trade Assurance.

Q How about the warranty time?

1-5 years depend on battery type, 100% replacement for free if quality problem occurred.
